Shenzhen Launch Co., Ltd es una fabricación profesional con diseño, producción y venta de herrajes de acero inoxidable, herrajes de barandas de vidrio, accesorios de pasamanos y

otros productos.

POR QUÉ ELEGIRNOS
Precio competitivo: fabricación de China continental
Buena calidad: 14 años de experiencia técnica
Excelente servicio: 14 años de experiencia de exportación en todo el mundo
Diferentes diseños están disponibles de acuerdo a las solicitudes del cliente

Shenzhen Launch Co., Ltd was established in 2004, located at Nanshan District, Shenzhen, and one hour by car from Hongkong International Airport. Our main product is high-grade building materials includes stainless steel balustrade post, staircase handrail, balcony guardrail, swimming pool fence and other high-grade building materials. All the products are designed strictly according to the high-end market requirements. We have our own factory in Tangxia Town, Dongguan, has a variety of precision equipment more than 50 sets: CNC lathe, milling machine, punching machine, pipe cutter, argon welder, drilling machine, polisher, etc. which can provide customers with complete product processing services. With the German SPECTRO Spectrometer, we insist on testing every batch of materials to ensure that the material is highly qualified. We also have hardness gauge, secondary element and other test equipment to ensure the products meets customers' requirements.
