

spigot is used for holding glass panels. Made of stainless steel 316, it's very tough to hold big glass panels.

We offer overall solutions for various glass railings and produce hardware as well as glass panels.

Spigot are with elegant finish and shape, Glass panels can be cut to size and safety edge polished.

Spigot application areas are widely:

- swimming pool fence
- outdoor balcony railing
- terrace railing
- staircase balustrade
- or other places you like
