

If you want to preserve your view, frameless glass balustrade is your best choice. Frameless glass railing enclosure includes stainless steel glass spigot, stainless steel glass hinge and stainless steel glass latch. They are used together for swimming pool fence and balcony.

All hardware is SS316 grade available in brushed and mirror finish. They are designed to suit 8/10/12mm tempered glass.

2 glass spigot/glass panel, 2 glass hinge and 1 glass latch/glass gate.

It is easy for installation and zero cost for maintenance. For glass spigot, there is no holes required in the glass panel. It is friction type and you may adjust the glass thickness based on your need.

We will have the holes made for the hinge and latch based on our professional drawing.
