

Fascia Mount Stainless Steel Cable Railing Balustrade Posts 36 "

1. poste de gradeamento de fio de aço inoxidável
 - aço inoxidável de 316 graus
 - acabamento escovado, fácil de manter
 - Posto de gradeamento de corda quadrada 50x50mm
 - altura do poste 900mm-1100mm ou conforme seu pedido

PORQUE ESCOLHA OS NOSSOS TRABALHOS DE CABO DE CABO INOXIDÁRIOS:

Capacidade anti-corrosão superior de aço inoxidável, assegure-se de que é material principal para materiais de construção, especialmente para o exterior e projeto do litoral, nosso SUS304 geralmente contém 8% ~ 11% do elemento NI, e o SUS316 contém 10% ~ 14% do NI.

Vamos fornecer desenho de desenho livre de trilhos de fio de cabo para o seu projeto e oferecer um serviço de parada, preparar todo o material você precisará.

Os trilhos de cabos são fortes e clássicos para varandas, escadas, varandas, varandas, varandas, etc., fácil instalação e têm uma boa vista de fora

Tipos de poste de gradeamento de cabos:

Desenhos técnicos:

Tipos de acessórios para cabos / cabos:

Mostra de projetos:

- Exterior varanda / deck / terraço design aço inoxidável trilhos de corda de arame

- Escada interior de aço inoxidável de aço trilhos de corda

Infomação da empresa:

Shenzhen Launch Co., Ltd was established in 2004, located at Nanshan District, Shenzhen, and one hour by car from Hongkong International Airport. Our main product is high-grade building materials includes stainless steel balustrade post, staircase handrail, balcony guardrail, swimming pool fence and other high-grade building materials. All the products are designed strictly according to the high-end market requirements. We have our own factory in Tangxia Town, Dongguan, has a variety of precision equipment more than 50 sets: CNC lathe, milling machine, punching machine, pipe cutter, argon welder, drilling machine, polisher, etc. which can provide customers with complete product processing services. With the German SPECTRO Spectrometer, we insist on testing every batch of materials to ensure that the material is highly qualified. We also have hardness gauge, secondary element and other test equipment to ensure the products meets customers' requirements.

ABOUT US

OUR ADVANTAGE

Please do not hesitate to contact us if you have any requirement regarding our production lines, you can expect a timely reply with professional solutions!

Own factory, shortest lead time.

Can help customers design product drawings based on customer ideas and design engineering installation drawing according to the customer site sketch.

Sample order, trial order acceptable.

Provide material test report to ensure that the material is qualified.

13 years of industry experience, we can help customers recommend the best solution to help customers save cost.

OUR FACTORY

More than 13 years experience in hardware industry design and processing, we can provide customized services from design to the sample and small batch trial production.

OUR CERTIFICATE

With premium quality, competitive price and superior service, we won a lot of customers' favor.
Our products are popular in North America, European and Australia.
