

Postes de balaustrada para barandilla de cable de acero inoxidable con montaje en fascia 36 "

1. barandilla de cables de acero inoxidable
 - Acero inoxidable de 316 grados
 - acabado cepillado, fácil de mantener
 - poste de barandilla de cable cuadrado 50x50mm
 - altura de poste 900mm-1100mm o según su petición

POR QUÉ ELEGIR NUESTROS BARANDALES DE ACERO INOXIDABLE:

Capacidad superior anticorrosión de acero inoxidable, asegúrese de que es el material principal para materiales de construcción, especialmente para exteriores y proyecto costero, nuestro SUS304 generalmente contiene 8% ~ 11% de elemento NI, y SUS316 contiene 10% ~ 14% de NI.

Le proporcionaremos un dibujo de diseño gratuito de la baranda de cable para su proyecto, y le ofreceremos un servicio de ventanilla única, prepararemos todo el material lo necesitarás. La barandilla del cable es fuerte y clásica para balcón, escalera, terraza, terraza, porche, etc., de fácil instalación, y tiene una buena vista del exterior.

Tipos de poste de barandilla de cable:

Dibujos tecnicos:

Tipos de herrajes / herrajes para barandas de cables:

Los proyectos muestran:

- Barandilla exterior con barandilla de alambre de acero inoxidable para balcón / terraza / terraza

- Barandilla interior de cuerda de alambre de acero inoxidable con diseño de escalera

Información de la compañía:

Shenzhen Launch Co., Ltd was established in 2004, located at Nanshan District, Shenzhen, and one hour by car from Hongkong International Airport. Our main product is high-grade building materials includes stainless steel balustrade post, staircase handrail, balcony guardrail, swimming pool fence and other high-grade building materials. All the products are designed strictly according to the high-end market requirements. We have our own factory in Tangxia Town, Dongguan, has a variety of precision equipment more than 50 sets: CNC lathe, milling machine, punching machine, pipe cutter, argon welder, drilling machine, polisher, etc. which can provide customers with complete product processing services. With the German SPECTRO Spectrometer, we insist on testing every batch of materials to ensure that the material is highly qualified. We also have hardness gauge, secondary element and other test equipment to ensure the products meets customers' requirements.

ABOUT US

Our Team

OUR ADVANTAGE

Please do not hesitate to contact us if you have any requirement regarding our production lines, you can expect a timely reply with professional solutions!

Own factory, shortest lead time.

Can help customers design product drawings based on customer ideas and design engineering installation drawing according to the customer site sketch.

Sample order, trial order acceptable.

Provide material test report to ensure that the material is qualified.

13 years of industry experience, we can help customers recommend the best solution to help customers save cost.

OUR FACTORY

More than 13 years experience in hardware industry design and processing, we can provide customized services from design to the sample and small batch trial production.

OUR CERTIFICATE

With premium quality, competitive price and superior service, we won a lot of customers' favor.

Our products are popular in North America, European and Australia.
