|                                 | Support de marche 22 mm                                  |

## Stairs production process requirements

20<sup>+</sup> years

Construction Machinery Experience

### **Wide Range of Products**

From stair handrails, balcony railings, to customized stairs, prefabricated balconies to bathrooms - our diverse products are suitable for residential, commercial and industrial projects.

### **Excellent Quality and Craftsmanship**

Each product goes through strict quality control and is manufactured with high-quality materials such as stainless steel, aluminum alloy, tempered glass . We follow international standards (ISO, CE) to ensure the lifespan and performance of the products.

### **Customization and OEM Service**

Our R&D team works closely with customers to provide tailor-made solutions.

### **Competitive Prices and Fast Logistics**

Taking advantage of Shenzhen's strategic location as a manufacturing and export hub, we optimize costs and ensure timely global delivery by sea, air or land.

### **Professional Customer Support**

Our multilingual team provides full assistance from product selection and quotation to after-sales service to ensure a one-stop experience.
