

Montants de balustrade de garde-corps de bâti d'acier inoxydable de fascia 36 "

1. poteau de balustrade de câble d'acier inoxydable

- Acier inoxydable 316
- Finition brossée, facile à entretenir
- poteau carré de garde-corps 50x50mm
- hauteur de poste 900mm-1100mm ou selon votre demande

POURQUOI CHOISISSEZ NOS RACCORDS DE CÂBLE EN ACIER INOXYDABLE:

Capacité anti-corrosive supérieure d'acier inoxydable, s'assurent qu'il est le matériel de premier ministre pour des matériaux de construction, particulièrement pour extérieur et projet Seaside, notre SUS304 contient généralement 8% ~ 11% d'élément NI, et SUS316 contient 10% ~ 14% de NI.

Nous fournirons le dessin libre de conception de la balustrade de fil de câble pour votre projet, et offrirons un service d'arrêt, préparons tout le matériel vous aurez besoin.

La balustrade de câble est forte et classique pour le balcon, l'escalier, la terrasse, la plate-forme, le porche, etc., installent facile, et ont une bonne vue de l'extérieur

Types de poteau de balustrade de câble:

Dessins technique:

Types de ferrures de câble / matériel de rampe de câble:

Les projets montrent:

- Balcon extérieur / pont / terrasse design garde-corps en acier inoxydable

- Escalier intérieur design garde-corps en acier inoxydable

Information de compagnie:

Shenzhen Launch Co., Ltd was established in 2004, located at Nanshan District, Shenzhen, and one hour by car from Hongkong International Airport. Our main product is high-grade building materials includes stainless steel balustrade post, staircase handrail, balcony guardrail, swimming pool fence and other high-grade building materials. All the products are designed strictly according to the high-end market requirements. We have our own factory in Tangxia Town, Dongguan, has a variety of precision equipment more than 50 sets: CNC lathe, milling machine, punching machine, pipe cutter, argon welder, drilling machine, polisher, etc. which can provide customers with complete product processing services. With the German SPECTRO Spectrometer, we insist on testing every batch of materials to ensure that the material is highly qualified. We also have hardness gauge, secondary element and other test equipment to ensure the products meets customers' requirements.

ABOUT US

Our Team

OUR ADVANTAGE

Please do not hesitate to contact us if you have any requirement regarding our production lines, you can expect a timely reply with professional solutions!

Own factory, shortest lead time.

Can help customers design product drawings based on customer ideas and design engineering installation drawing according to the customer site sketch.

Sample order, trial order acceptable.

Provide material test report to ensure that the material is qualified.

13 years of industry experience, we can help customers recommend the best solution to help customers save cost.

OUR FACTORY

More than 13 years experience in hardware industry design and processing, we can provide customized services from design to the sample and small batch trial production.

OUR CERTIFICATE

With premium quality, competitive price and superior service, we won a lot of customers' favor.

Our products are popular in North America, European and Australia.
