	2. Instruction d'installation détaillée est disponible	

## POURQUOI CHOISIR NOS RAILS DE CÂBLES EN ACIER INOXYDABLE:

La capacité supérieure anti-corrision d'acier inoxydable, s'assurent qu'il est le premier matériau pour des matériaux de construction, surtout pour l'extérieur et projet balnéaire, notre SUS304 contient généralement 8% à 11% d'élément NI, et SUS316 contient 10% à 14% de NI. Nous allons fournir un dessin de conception libre de garde-corps en fil de câble pour votre projet et offrez un guichet unique, préparez tout le matériel vous aurez besoin. La balustrade de câble est forte et classique pour le balcon, l'escalier, la terrasse, la plate-forme, le porche, etc.

Types de poteaux de garde-corps:

Modèles de garde-corps en acier inoxydable de type à barre plate unique:

Modèles de garde-corps en acier inoxydable à double barre plate:

Round & Balustrade carrée en acier inoxydable de type poteau de balustre:

Dessins technique:

Types de raccords de câble / matériel de garde-corps:

**Projets montrent:**

Balustrade durable de câble de balcon de conception moderne

**Rampe de câble en acier inoxydable 304/316 pour bâtiments commerciaux, habitations résidentielles, ect.**

Société infomation:

Shenzhen Launch Co., Ltd was established in 2004, located at Nanshan District, Shenzhen, and one hour by car from Hongkong International Airport. Our main product is high-grade building materials includes stainless steel balustrade post, staircase handrail, balcony guardrail, swimming pool fence and other high-grade building materials. All the products are designed strictly according to the high-end market requirements. We have our own factory in Tangxia Town, Dongguan, has a variety of precision equipment more than 50 sets: CNC lathe, milling machine, punching machine, pipe cutter, argon welder, drilling machine, polisher, etc. which can provide customers with complete product processing services. With the German SPECTRO Spectrometer, we insist on testing every batch of materials to ensure that the material is highly qualified. We also have hardness gauge, secondary element and other test equipment to ensure the products meets customers' requirements.

## ABOUT US

# OUR ADVANTAGE

Please do not hesitate to contact us if you have any requirement regarding our production lines, you can expect a timely reply with professional solutions!

Own factory, shortest lead time.

Can help customers design product drawings based on customer ideas and design engineering installation drawing according to the customer site sketch.

Sample order, trial order acceptable.

Provide material test report to ensure that the material is qualified.

13 years of industry experience, we can help customers recommend the best solution to help customers save cost.

# OUR FACTORY

More than 13 years experience in hardware industry design and processing, we can provide customized services from design to the sample and small batch trial production.

# OUR CERTIFICATE

With premium quality, competitive price and superior service, we won a lot of customers' favor.  
Our products are popular in North America, European and Australia.

# PRODUCTION PROCESS

Casting

CNC lathe

CNC Milling

Stamping

Drilling & Tapping

Polishing

# ***PACKAGING & DELIVERY***

# PAYMENT & TRANSPORTATION

Welcome Alibaba Trade Assurance Order!

- 1 Start an order
- 2 Negotiate terms with our sales service & confirm order
- 3 Make payment
- 4 Alibaba provide full assurance
