

D glass clamp with retention side plate glass clamp for slope glass

G106

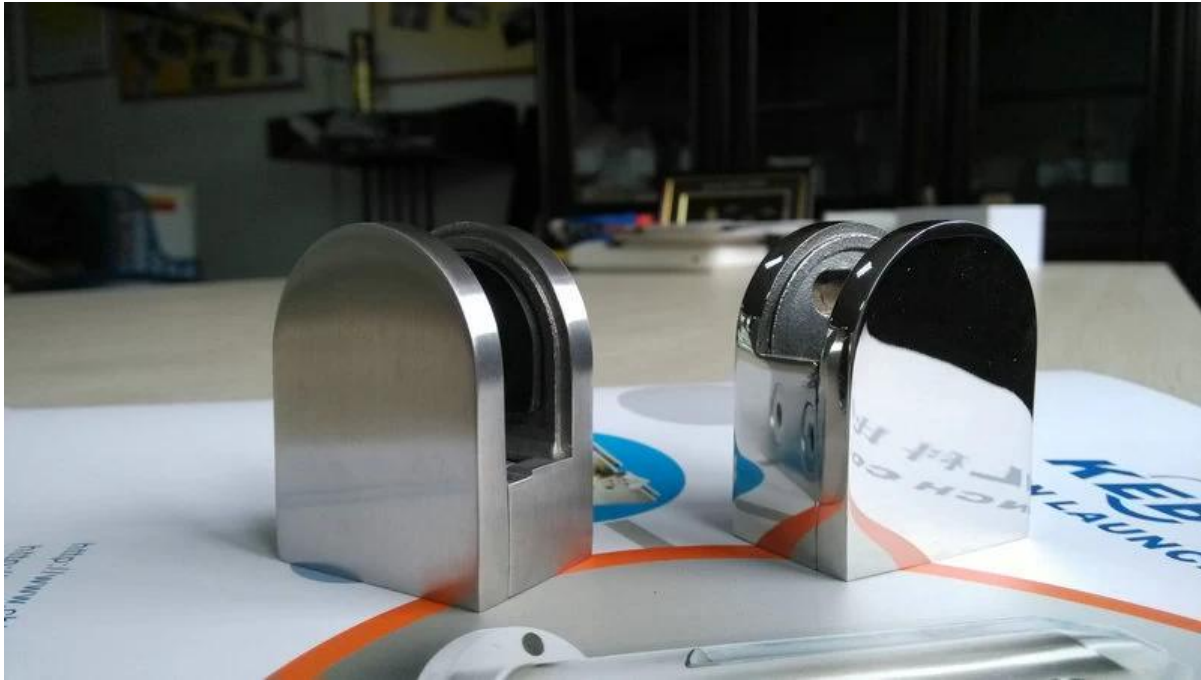

with retention side plate

[stainless steel handrail fitting, D glass clamp, flat back and round back, high quality](#)

G106

Satin brushed or mirror polished

We have casting stock so please let us know your surface treatment interest, we will make the arrangement ASAP when the order confirmed.

Regular D glass clamp G104 suit to 8-10mm tempered glass balustrade
[Wrought iron D glass clamp for 8-10mm glass used at glass balustrade](#)

If your glass balustrade is using round post, then G104R will be the best choice:
(R means round back)
[stainless steel glass balustrading clamps for round post or pipe](#)

But if your post is rectangular/square, to make the glass clamp matched, you may choose our G102, square glass clamp suits to 8-10mm glass
