

China manufacture standard reached cable railing tensioner wire rope anchor

T803

Mirror polished, bright finish/surface

Cable/wire rope size: 3mm, 4mm, 5mm(stainless steel 7\*19/1\*19)

T803 Project in Los Angeles

T804

satin brushed, elegant finish/surface

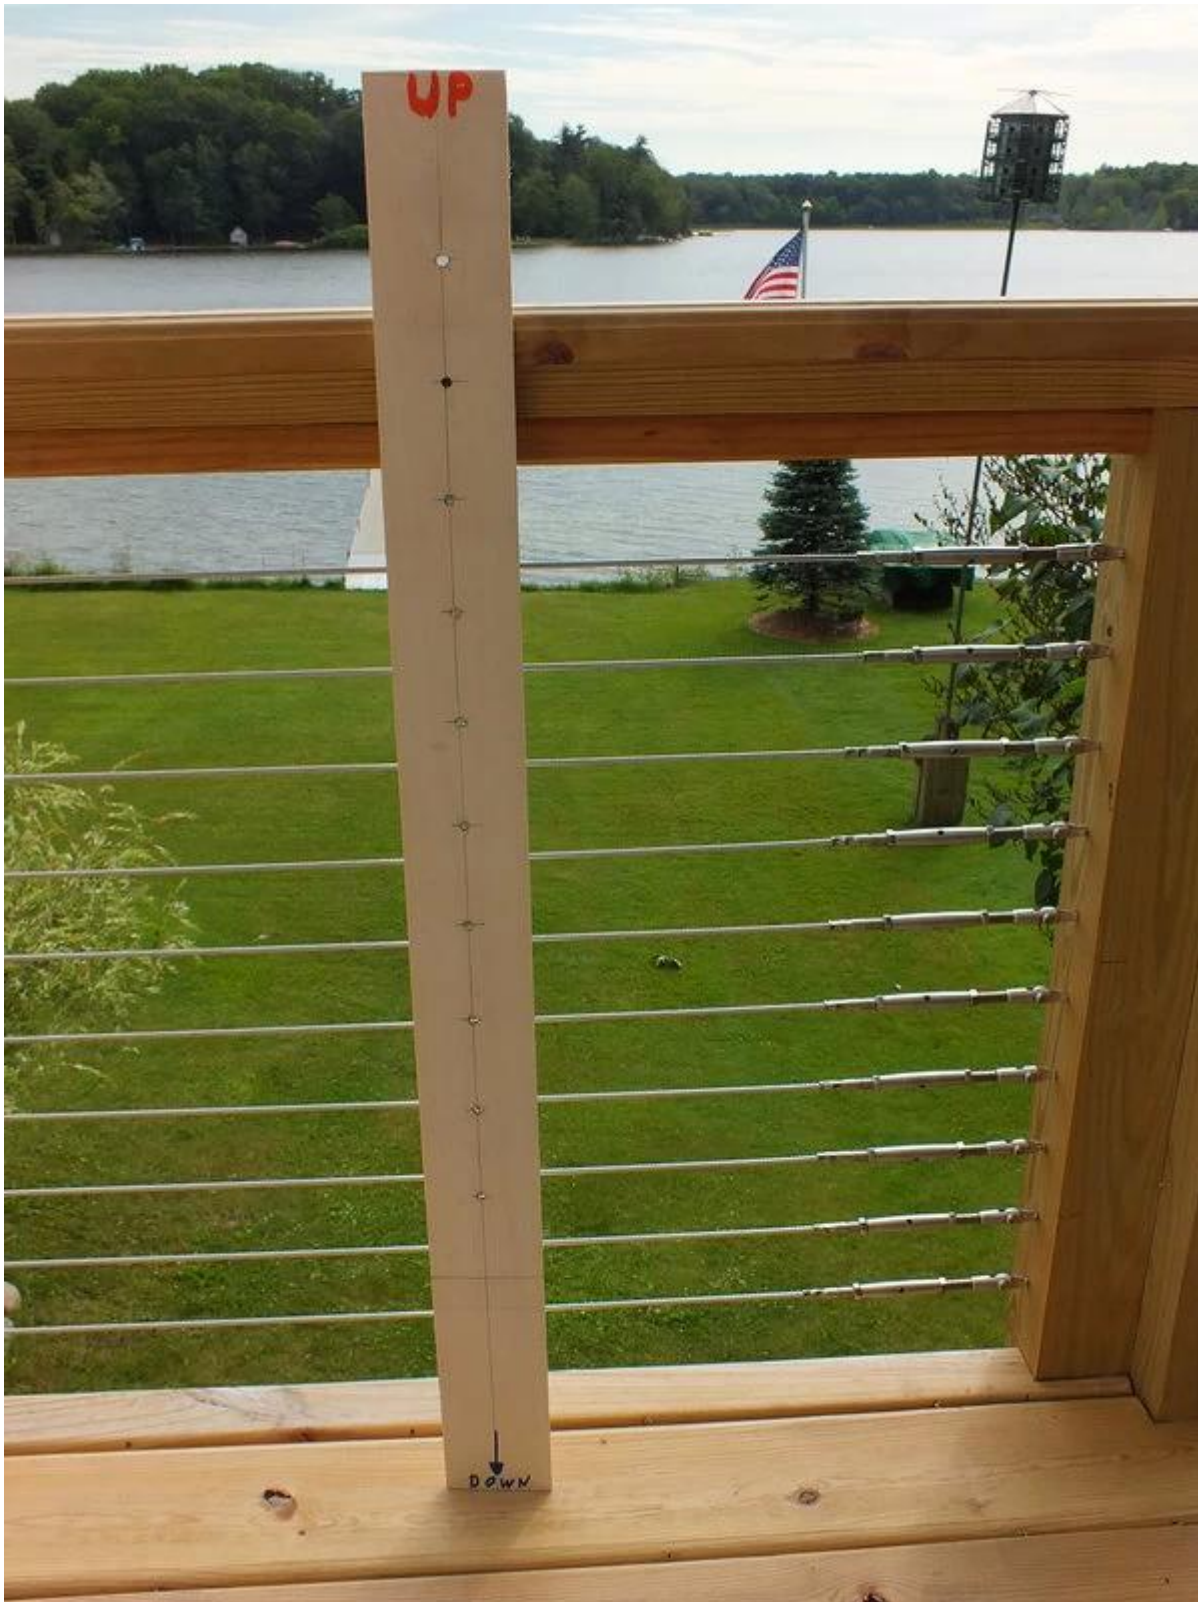

1 pair= 1 piece long and 1 piece short

Cable/wire rope size: 3mm, 4mm, 5mm, 6mm(stainless steel 7\*19/1\*19)

T804 project in Michigan, USA

Both T803 and T804 needs hydraulic plier while installation, anyway, the inside clip of T803 we can do it seperate, so it is reusable actually.

Cable tensioner installation

For project design or inquiry, please send email to us at: [sales04@launch-china.cn](mailto:sales04@launch-china.cn)

No matter your project is wooden, steel or concrete, our cable tensioner will stay there and protect your children at balcony, deck, stairs, terrace and where the place you need them to be.
