

Outdoor stainless steel wire cable railing Gate Kits

Stylish and Durable Outdoor Stainless Steel Wire Cable Railing Gate Kits

Sizes : 40*40/50*50mm cable posts , with pre drilled holes & pre assembled fittings , cable wires dia 3mm 4mm 5mm available .

Product Overview:

1. Our gate kits are made of high-quality 316 stainless steel, ensuring exceptional durability and resistance to corrosion. This material choice makes them suitable for withstanding harsh weather conditions and providing long-lasting performance.
2. Wire Cable Railing: The gate kits feature a wire cable railing system, which offers a modern and minimalist look while providing excellent visibility and safety. The cables are securely fastened to the stainless steel posts, creating a sturdy and reliable railing.
3. Easy Assembly: Our gate kits come with pre-drilled holes and all necessary hardware for easy assembly. The simple yet sturdy design allows for quick and hassle-free installation, making it suitable for both professional contractors and DIY enthusiasts.
4. Customization Options: Our gate kits are available in various sizes and configurations to accommodate your specific needs and preferences. You can choose from different cable diameters and post lengths to create a customized railing system that suits your outdoor space.
