

Model P703R wall bracket is popular and side used design wall handrail brackets.

It comes with round base and cover plate .

3 holes on the base for screws fixed on the wall .

Cover plate will cover the screws, so you can't see it and looks more nice.

Round tubing or round pipe handrail can be 51mm or 42mm diameter, we have different size curved plate to suit it.

"L" shape rod is used for supporting handrail .
