

Glass railing designs is simple and beautiful. Application areas is wide, like balcony designs and staircase designs, or other places you would like.

Our factory produce full set railings, spare parts like stainless steel bracket, handrail, glass clamp, post base and cover, tube connectors, etc.

If you have a project, just send us the dimention, our engineer will calculate and design for you. Installation instruction drawing will be provided before you get the products.

1.One way end post:

LCH-103

2.Two way inline post

LCH-104
