

Side mount wall mounting glass clamp CB-180

Stainless steel 304 for indoor use,

Stainless steel 316 for outdoor use(stronger anti rust ability than 304 grade)

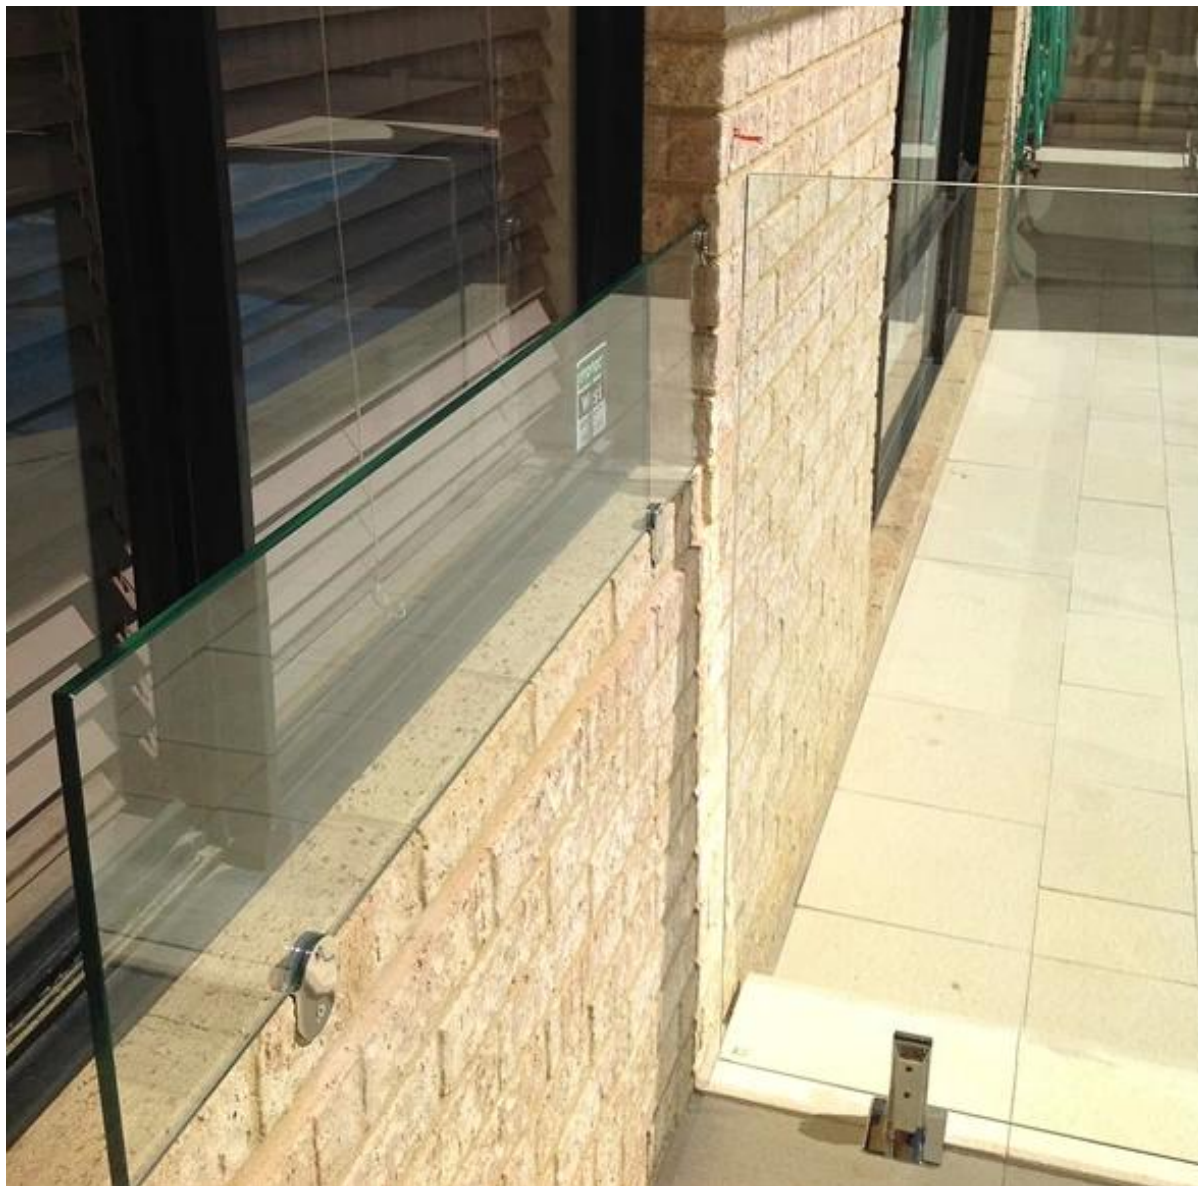

Surface treatment(finish): satin brushed or mirror polished;

CB-180

with plastic gasket, protects your glass;

Installation at window side mounting,

As CB-180 is not very big, it could not be used if your window glass is oversized, anyway, we can add glass clamps at sides, or you can use our glass spigot at bottom;

SBM-2 glass spigot;

Please let us know your project size, we will make the design and work out the product quantity, then quote for you.

Inquiry sent to: **sales04@launch-china.cn**, we will get back to you within 8 hours.
