

Frameless glass pool fencing with stainless steel glass spigot has become more and more popular for the pool fencing design in Australia, UK, France, Canada, USA.

We do **custom-made cutting for tempered glass panel** in the thickness between **8-12mm** with edges polished. **Stainless steel glass spigot in base plate and core drill type** to meet your need for either surface mounting or in-ground mounting. It is friction fit for installation and no pre-drilled holes in the glass panel.

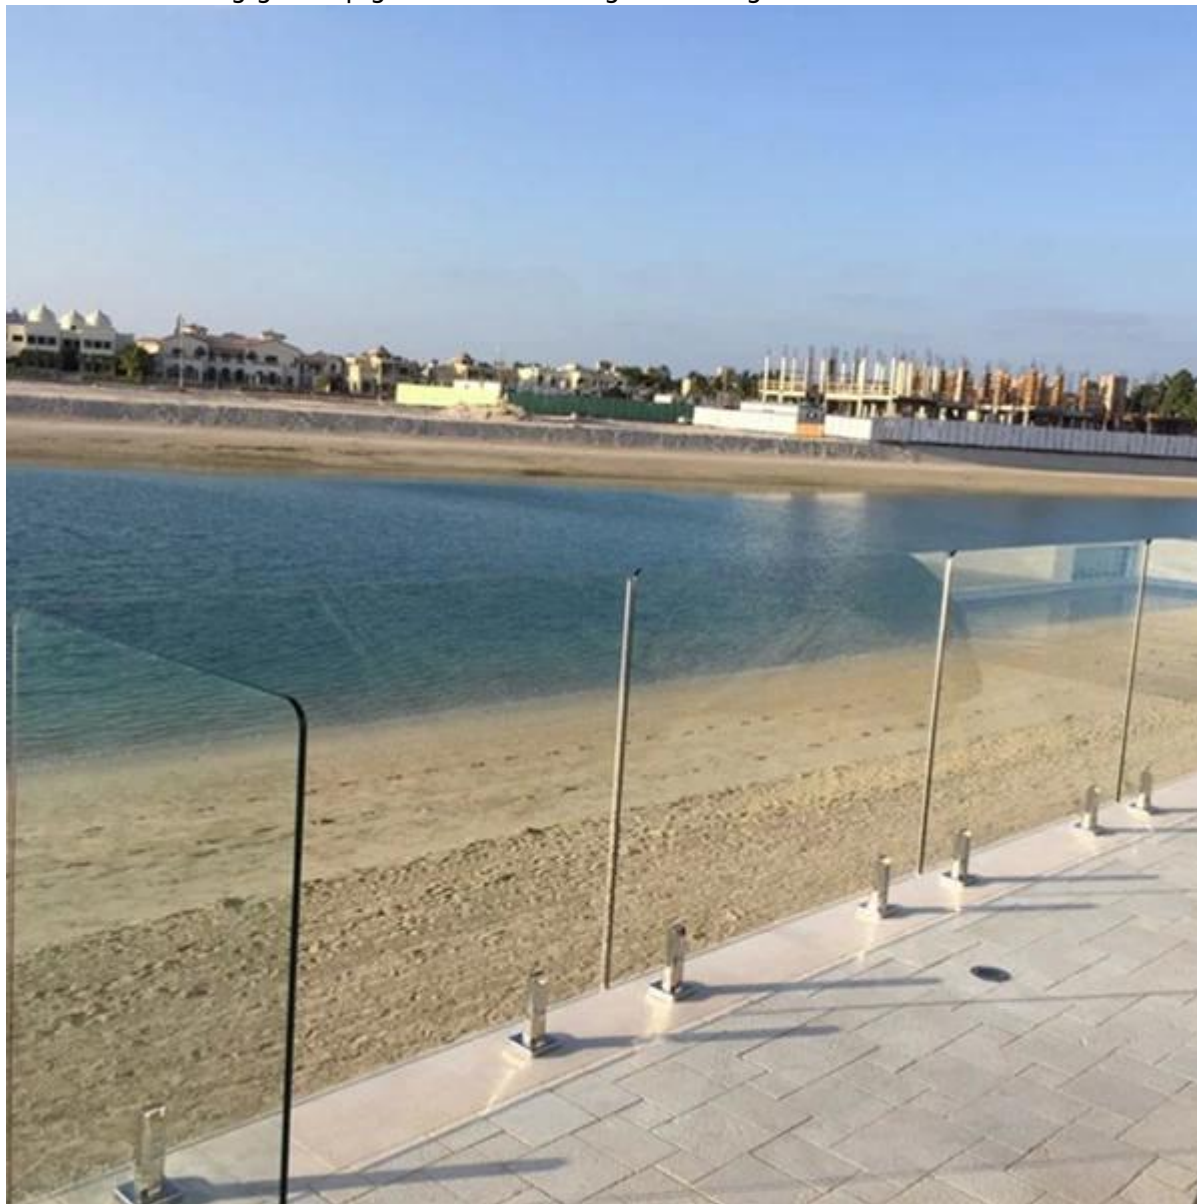

Shenzhen Launch Co;Ltd also has the **soft closing glass hinge and latch for the glass gate** and we will give you the hole position drawing for the glass gate.

If you want an uninterrupted view from the pool, the frameless glass fencing with glass spigot is your best choice.

Welcome to send us the pool dimension, we will give you very professional advice.
