

Shenzhen Launch Company supply and manufacture frameless glass pool fencing, swimming pool glass fencing .

The Launch glass fencing frameless system is the ultimate in glass fencing, giving you exclusive style, quality, uninterrupted views and adding value and safety to your pool or entertainment area.

Frameless has no posts or frame and can be fixed in a range of different ways, all fittings are made from 316 marine grade stainless steel, or anodized aluminium.

We use 12mm thick toughened safety glass with polished and bevelled edges.

The glass is all engineered and designed to meet all Australian.

Glass gates are available in a range of different sizes and sleek designs, standard spring self closing or a hydraulic soft close.

We can also custom tailor glass and fittings to suit any application.

Available in 316L & duplex 2205 Marine Grade Stainless steel, Powder coated & anodized Aluminium
