

glass railing construction stainless steel round glass clamp

Top view

Brushed, very easy to maintain

Project, used at the middle of 2 glass panels;

Glass clamp strengthen your glass fence, connects 2 glass panels as one, protects your fence in case of broken by force.

If you don't like the round shape, or you glass spigot is square shape, we have straight glass clamp BC-80X35, please see as below:

Staircase glass railing with standoff and glass clamp
