

We have 4 types of pool fence spigot for swimming pool fencing . They are made of high quality stainless steel 316 , 316L and duplex 2205 .

Our pool fence spigot can either be fixed to ground with screws on the base plates , or go inground the core drill types .

Below are the photos of 4 models of pool fence spigots :

Round base plate pool fence spigot model . RBM

Square base plate pool fence spigot model . SBM

Round core drill pool fence spigot model . RCM

Square core drill pool fence spigot model . SCM
