

Shenzhen Launch Co.,Ltd specializes in frameless glass balustrade system for both pool fence and balcony. Usually glass spigot, glass hinge and glass latch are widely used in this sytem. All products are made of SS316, SS316L and duplex2205 material to suit different needs.

You may choose either core drill glass spigot or base plate glass spigot based on the decking situation. The spigots are designed to suit 12mm glass and there is no holes required in the glass panel. We welcome both trial order and wholesaling order.
