

Frameless stainless steel glass standoff is widely used in frameless glass balustrade system for the decoration of balcony, stair, terrace and pool fence.

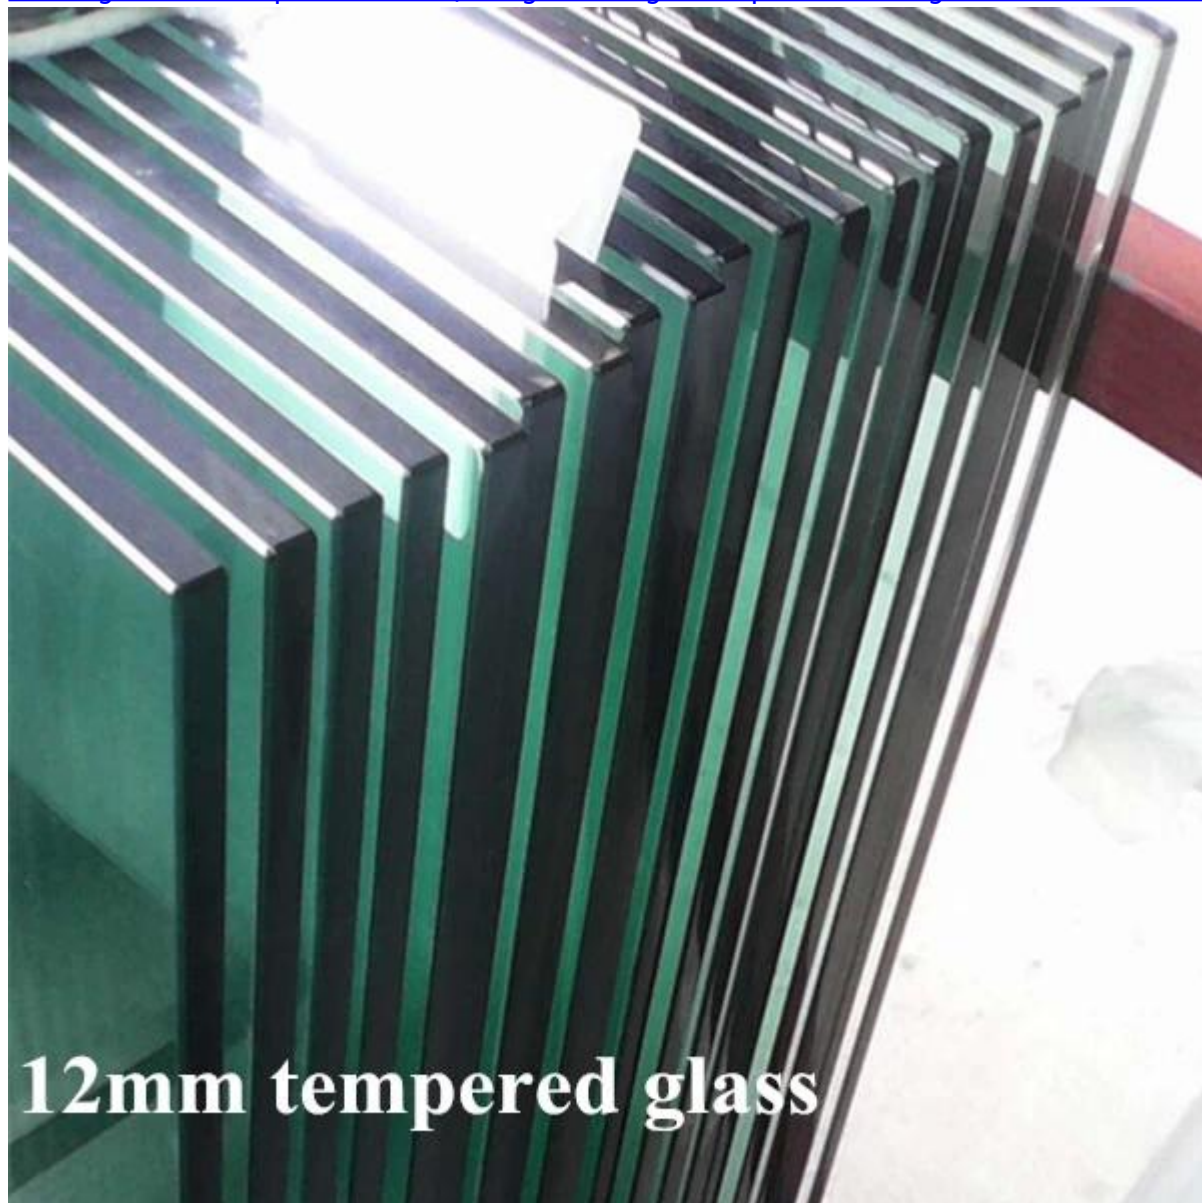

The standoff is made of stainless steel 304 and 316 grade material to suit indoor and outdoor use. It is designed to hold 8-19mm tempered glass. In addition, the glass standoff can be concrete decking and timber decking.

Welcome to send me a simple sketch of your balcony, stair, terrace and pool fence and we will give you a perfect solution as return.

Frameless glass railing with standoff is a perfect way of preserving your view.
