

Stainless steel glass spigot base plate with cover ring is designed to hold 5/16", 3/8" and 1/2" tempered glass panel without holes drilled.

Nowdays more and more people prefer frameless glass railing with glass spigot, which is the best way to preserve view and easy for installation, low cost for maintenance.

There are 2 types of glass spigot to suit your demand, one is base plate type and the other is core drill type. We do tailor-made for all glass panels with edges polished.

Welcome both trial order and wholesaling order.

If you want your balcony, swimming pool fence staircase decorated, please send us the sketch and our engineer will give you a best design.
