

stainless steel spigot frameless glass clamp railing system

1. Description,

Frameless Glass Clamp Railing System

For 3/8", 1/2", and 9/16" (10, 12, and 13.52 mm) Monolithic and Laminated Tempered Glass

Great for Pool Fencing, Balcony, and Deck Applications

Available in 316 and Duplex 2205 Marine Grade Stainless Steel

Spigots

Our Frameless Glass Clamp Railing System provides an almost invisible "frameless" look. No vertical posts are used between the panels of glass; they are solely supported from the bottom by high strength stainless steel clamps. Their quality 316 alloy stainless steel construction provides superior weather resistance.

Core drill and surface mount models give you a choice of installation options. All models are available in brushed or mirror polished finish.

2. Model No. RBM spigot (round base plate spigot)

1. Material: Stainless steel 316/duplex 2205.
2. Finish: Satin or mirror polished.
3. For glass thickness: 8-13.52mm.
